SUMMARY

Enthusiastic Computer Science student with strong knowledge of HTML, CSS, and C programming. Skilled in creating responsive websites and passionate about solving real-world problems with technology. Seeking an entry-level role to apply my technical and creative skills

SKILLS

Programming Languages: Python, C, Java , Dart

Web Development: HTML, CSS, JavaScript, React,Flask,Pandas

App Development : Flutter

Tools & Platforms: Git/GitHub, Excel

Specialized Skills: API Integration, Prompt Engineering

PROJECTS

ATS Resume Generator

Oct 2025

Self Project

- Created a web-based ATS (Applicant Tracking System) Resume Generator that builds keyword-optimized resumes for job seekers.
- Implemented form inputs, real-time preview, and PDF download functionality.
- Designed an intuitive, responsive UI with automatic formatting for professional resumes.
- Tech Stack: HTML, CSS, JavaScript, Flask

E-Commerce Website

May 2025

Self Project

- Built a responsive e-commerce platform featuring product listings, category filters, and a simulated checkout flow.
- Designed a modern UI with smooth navigation, search functionality, and dynamic layouts for all screen sizes.
- Implemented cart and order summary features to replicate real-world purchase experiences.
- Tech Stack: HTML, CSS, Responsive Design, UI/UX

Patient Data Management & Analysis System

Sept 2025

Self Project

- Built a Flask-based web app to manage and analyze patient data with disease insights.
- Automated Excel storage and visual analysis using Pandas and Matplotlib.
- Designed a user-friendly dashboard for data entry and analysis visualization.
- Tech Stack: Python, Flask, Pandas, Matplotlib, HTML, CSS

EDUCATION

Bachelor of Engineering – Computer Science and Engineering Jaya Engineering College, Anna University	2024 – Present
Higher Secondary Education (HSC) DRBCCH Tamil Nadu State Board (12 class)	2022 – 2024

CERTIFICATION

- Certificate of Participation: "Why UX Psychology is the Most Important Skill in the AI Era" (GUVI)
- Certificate of Completion: Introduction to Python Programming (AD141) - Red Hat Training
